Love working with LEGO ? At Camp Explorer, kids will work on cool hands-on robotics projects , try their hand at programming projects that actually work ! Then bond with new friends in the afternoon over fun and games (Did someone say LEGO foosball???). For children who are fuelled with creative imagination, opportunities are abundant to concoct the most ridiculous story ever using LEGO as a prop! Kids will also learn animation techniques that will breath life into their stories!

Play-test games on Minecraft or get opportunities to critique or design games* created by other kids. Camp Explorer is the BEST FULL DAY CAMP to learn cool skills whilst gaining exposure in all areas of technology.

Weeks	Dates	Camp Type	Age	Cost

Week 12 *** (3- day only)	19th, 20th, 21st Aug 9am- 3pm	3 Day Camp	7- 13 years	\$499

*Opportunities to design games may be dependent on age and skill level of participating children.

** Public holiday week - Please take note of days for camp.

*** Only 3 day camps available.

Top up of only \$100 from 3 day camp for a full 5 day experience.

- * 3 Day camps will run from Monday - Wednesday of the same week.
- * Camp extension upon request from 3 day to 5 days is possible if there is availability.
- * Lunch provided will be from MCDonalds and is included in the price of the camp. Children can choose what they would like for lunch.
- * Please let our staff know on the first day of camp if there are special dietary restrictions or allergies.
- * There will be a 15 min snack break in the morning and in the late afternoon. Children will bring their own snacks and drinks. Due to potential allergies, we do not allow sharing of snacks.
- * It is also possible to BYO lunch but kindly note that there is no facility for foods to be chilled or reheated.
