5-Half-Day Graphic Design Camp with Canva (ages 7+)/Adobe Photoshop (ages 8+)

Our campers will learn photo-editing and design skills using platforms used by designers around the world. They will be introduced to basic design principles, colour modes, and printing standards while exploring different graphic works.

In Camp 1: Introduction to Canva
- Learn how to crop, add effects, and work with layers
- Fun, beginner-friendly activities
- Perfect for children new to using computer devices.
- Introduce basic laptop use to navigate the tools

In Camp 2: Introduction to Photoshop
- Build on the skills from Camp 1/prior knowledge of Canva
- Explore advanced tools like the brush, mask, and effects adjustments
- Deepens their understanding of design principles

They will apply their knowledge and skills to complete several interesting and practical projects, such as designing a greeting card or wrapping paper, photo bricks (graphics printed on Lego bricks), among others. *Please note that these projects are the work of campers, and may or may not contain their own photos.
