

3-Half-Day Artificial Intelligence & Digital Citizenship Camp for Kids (for ages 7.5+)

**ARTIFICIAL INTELLIGENCE
& DIGITAL CITIZENSHIP**

Join us at our new camp that empowers kids with the tools they need to thrive in an increasingly digital world! While it is crucial for children to learn the latest technology, such as artificial intelligence (AI), we also recognize the need for them to understand how to stay safe and responsible online.

This camp is designed to introduce children to the fundamentals of internet safety and digital citizenship, while providing them with an exciting, introductory experience with AI and script-based coding. Kids will engage with AI in a fun and interactive way, for example, through hand motions that guide the coding software to recognize and replicate movements.

| WEEKS | DATES & TIME | LOCATION | AGES | PRICES |
|--------|--|----------|------|--------|
| Week 1 | 4th to 6th Jun 2025 9:30am - 12pm | Forum | 7.5+ | \$425 |
