

3- or 5-Full Day LEGO Robotics and Animation Camp (for ages 7+)

Our campers will work on fun and challenging hands-on LEGO robotics and coding projects in the morning, and move on to creative animation projects in the afternoon.

They can let their creativity run wild weaving stories using a storyboard and LEGO as a prop. After completing their planning and set-up, they will try their hands making a movie with the StopMotion software and pick up various animation skills while bringing their stories to life!

WEEKS	DATES & TIME	AGES	PRICE
